PROJECTS

- CareerNest** | *Python, Flask, Bootstrap, PostgreSQL, SQLite* Jan 2026 – March 2026
- Architected a scalable full-stack campus placement portal utilizing a modular blueprint architecture to isolate student, recruiter, and admin workflows, streamlining database processing overhead.
 - Engineered a secure role-based access control (RBAC) authentication pipeline gating RESTful application endpoints, company drive lifecycle management, and real-time application status tracking.
 - Implemented an optimized backend reporting system leveraging Flask-Migrate schema versioning and built-in CSV generation pipelines to handle concurrent student profile data processing.

EDUCATION

- Bachelor of Technology in Computer Science** CGPA: 9.29 / 10
Pranveer Singh Institute Of Technology Oct.2024 - (Expected) June 2028
- Secondary Education** Class 10: 97.4%
Mariampur Senior Secondary School April 2020 – March 2021
- Senior Secondary** Class 12: 95.2%
Mariampur Senior Secondary School April 2020– March 2023

ACHIEVEMENTS & POSITION OF RESPONSIBILITY

- LeetCode Active Competitor** : Solved 210+ problems (including 103 Medium and 20 Hard)
- Best Course Project Award** : Awarded top accolade for (MAD I) out of 1,000+ students at IIT Madras.
- HCLTech Campus Ambassador** : Selected out of 8,000+ applicants to lead campus tech initiatives.
- Aspire Code AI Campus Ambassador**: Appointed for a 6-month tenure to drive peer engagement.
